## Responses to serious behaviours of concern

Shoalhaven High School adopts a structured and proactive approach to managing serious behaviours of concern, prioritising the safety and wellbeing of all students and staff. Our response process includes the following steps:

### 1. Incident Management:

- **Immediate De-escalation:** All support staff are trained in **Verbal Interventions and Safety Interventions (VI/SI)**, which equips them with skills to de-escalate situations safely and effectively. Staff immediately use these strategies to ensure the safety of all individuals involved.
- **Assessment and Support:** Assess the student's needs and provide support to help them regain control. This may involve removing the student from the situation to a safe, supervised area for reflection and calming.
- **Involve Senior Executive Staff:** If the behaviour poses a significant risk, senior executive staff are informed to assist in managing the incident.

### 2. Communication:

- **Document the Incident:** All serious incidents are documented in SENTRAL, including details of the behaviour, interventions used, and outcomes.
- **Inform Parents/Carers:** Parents/carers are promptly informed of the incident and the school's response.
- **Team Debrief:** Staff involved will participate in a debriefing session to review the incident, identify triggers, and plan for future support.
- **Incident Notification:** All incidents of concern are reported to the Incident and Support Hotline on 1800 811 523

### 3. Intervention:

- **Functional Behavioural Assessment (FBA):** Conduct an FBA to understand the underlying causes of the behaviour and inform the development of an individualised Behaviour Intervention Support Plan (BISP).
- **Behaviour Intervention Support Plan (BISP):** Develop and implement a BISP tailored to the student's needs, outlining strategies to prevent recurrence.
- **Restorative Practices:** Conduct restorative conferences to address the impact of the behaviour, repair harm, and develop strategies for future positive behaviour.

### 4. External Support and Referral:

- **School Counselling and External Agencies:** Provide access to school counselling services and refer to external agencies if necessary for additional support.
- **Modified Enrolment or Learning Environment:** In some cases, adjust the student's school day or learning environment to support their needs.
- **Senior Leader Community Engagement:** Works with families to link with external agencies for support and referrals.

### 5. Compliance: Follow the **NSW Department of Education Student Behaviour Policy** and **Suspension and Expulsion Procedures** in all responses.

### 6. Review and Follow-up:

- **Monitor Progress:** Regularly review the student's progress and adjust the BISP as needed.

- **Family Engagement:** Engage with the student's family to ensure a consistent approach to behaviour support at school and home.
  - **External Support Agencies:** Refer and liaise with external agencies for additional targeted support for individuals and families.
