

Decision Time Bulletin

Dear Parents/Carers,

Unfortunately due to restrictions caused by the COVID-19 pandemic we have had to cancel the Yr 10 Subject Selection Information evening at Shoalhaven High School on Tuesday 28th July.

Instead the school has organised two online sessions to deliver the information about study in the senior school. On Tuesday 28th July from 6pm there will be an important presentation via the Zoom link below regarding the process of choosing a pattern of study for Yr 11 and 12. The aim of this session is to explain and clarify many of your questions about NESA requirements.

Following this, various Head Teachers will be available on Tuesday or Wednesday to provide more detail about individual subjects that are offered for study in Stage 6.

Students receive the subject information booklet on Tuesday afternoon so it may be used to guide any questions during this session.
