

Science Assessment Schedule Stage 4 Year 7

In Year 7 you will be assessed in three ways.

1. **Ongoing assessment of class work:** This will consist of assessing day-to-day class work, practical work, homework, and computer-based activities. Each term you receive a 'class mark' which will contribute to your report grade.

You may be given booklets and worksheets for each topic. Keep these in a clip folder or plastic envelope. Together with your book they form part of your ongoing assessment

2. **Formal assessment tasks:** Each term you will have a formal assessment task which will assess the knowledge, skills and processes developed in class. Formal assessment tasks will contribute to your report grade.

In Year 8, you will be examined in a State-wide Science assessment called VALID. It is helpful if you keep your booklets from Year 7.
